

ST. LUKE

Evangelical Lutheran Church

Dear St. Luke Family and Friends,

Last Thursday the Congregational Council unanimously approved a recommendation from our Covid-19 Task Force to begin lifting some of our Covid restrictions.

These new guidelines were shared at worship this-morning and will go into effect this week.

- Worship Registration is discontinued (Just come and worship!)
- Continue to Respect Social Distancing
- Intinction to be reintroduced for communion, and distribution to be continuous with communicants coming forward by way of the center aisle as they are able.
- Masks are Optional
- We will introduce singing with a verse or two of a closing hymn
- Beginning in July: Reintroduce option of bulletins, hymnals, etc.

We all pray that conditions continue to improve and that we can be together again in worship and fellowship with one another and our Lord and Savior Jesus Christ.

In Christ's love for you,

Christopher Frye | Pastor
