

Love The Earth!

Join us for three days of Vacation Bible School at St. Luke, August 3-5, 2021! Learn more about loving the earth and how to take care of it from a Biblical perspective through games, crafts, stories and practical experience. Age 3 to rising 6th graders are welcome to join us!

Events are planned to take place outdoors on the church property. Kids can bring the water bottle provided on the first night, each night and fill up at our watercooler as needed. Canopies and plenty of shade will be available. In the event of rain, we will move inside.

Please wear clothing each night that is appropriate for outdoor play and working with dirt, plants, glue, paint, etc.

Healthy snacks will be provided each night so please make sure to list any allergies below.

Wednesday, August 4 - Wear clothes that can get wet, and may get a little paint on them!

Thursday, August 5 – Presentation-parents please join us at 8:00 for a short presentation.

COVID precautions include washing of hands, hand sanitizer, and the event taking place outdoors. Every effort to maintain distance will be taken.
