

2023 Pentecost Projects

“God’s Work. Our Hands.”

## **Fruitbelt Farmworker Christian Ministry**

This ministry serves the workers who come each year to work in the orchards in our area by building relationships with the workers, providing pastoral and spiritual care, and giving them comfort items donated by local churches.

As one of our Pentecost Projects and our “God’s Work. Our Hands.” Project we will be collecting items throughout the summer. We will get together to pack personal care packs on Sunday, September 10 following worship. Please join us following worship to help pack. You can also choose to donate items for warmth, as listed below.
